

RED FLAGS THAT SEAT BELTS HAVE BEEN TAMPERED WITH

When the Seatbelt will not retract...

This is a RED FLAG and equipment needs to be shopped.

When no one is on the equipment and the belt hangs off the side...

RED FLAG: Shop the equipment

Check: Pull on or have Employee pull on the seatbelt to make sure it retracts back.

If they don't, they need to be shopped.

- **Seatbelts Reduce Risks of Serious Injuries - They Must Work Properly!**
