

# CARTON VARIETY PACK CANS

## A NEW VARIETY PACK TECHNOLOGY IS NOW IN THE MIX

Verst's fully automated carton variety pack system is capable of handling 6 lines and flavors simultaneously and can manage standard, sleek, slim and larger volume cans. Such flexibility enables our lines to configure and pack up to 6 flavors into cartons, cases and trays.

### FLAVOR FLEXIBILITY

Up to 6 Lanes (1 flavor per lane)  
4 – 24 Packs Optional 30 Packs  
2-6 Flavors

### VARIETY PACK COMBINATIONS

4 Count	2 Flavors
6 Count	3 Flavors
12 Count	4 Flavors
15 Count	5 Flavors
18 Count	6 Flavors
24 Count	6 Flavors
30 Count	6 Flavors

### PACKS SPEED

100-150 (12 packs) Per Minute

### TRAY SPEED

40 Trays Per Minute

### TRAY RE-LOADING

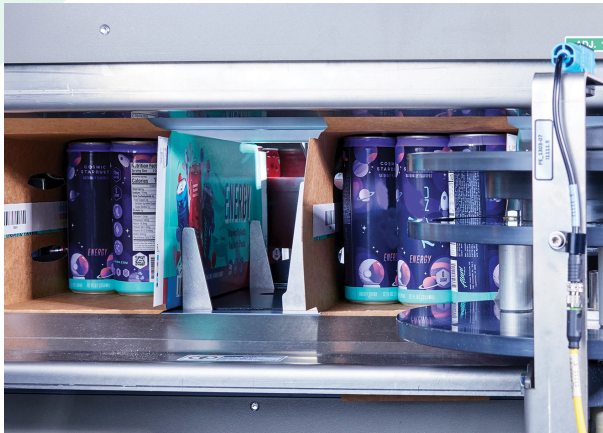

As an automatic tray reloader, the system takes the trays and reloads the trays downstream to produce the final variety pack collation.
